

### **We are moving to keep on growing**

As Marimón Abogados continues to grow, the Firm is moving its Barcelona office to 185 Calle Aribau (next to Avenida de Diagonal). We are moving our office in Barcelona to larger, enhanced facilities in order to continue offering quality service to our clients. We started our journey in Calle Balmes, continued to grow in our historic location in Paseo de Gracia, and next July, 2<sup>nd</sup>, we are opening our new office at 185 Calle Aribau, 6th floor.

Marimón Abogados has completed an ambitious refurbishment, implementing a state-of-the-art design. Our office space has doubled, significantly improving our facilities. We are committed to our values that have placed us as reference lawyers, while also undertaking the continued expansion of our specialized areas with the aim of increasing the portfolio of services the Firm offers its clients, which we will carry on from our new premises. We will keep the same telephone numbers and are pleased to welcome you at Calle Aribau starting Monday, July, 2<sup>nd</sup>.
